➡ Login Page Design:

The screenshot shows the login page for the Aadhaar enabled Public Distribution System. At the top left is the Government of Kerala logo. The title "Aadhaar enabled Public Distribution System" is centered above the subtitle "Food, Civil Supplies and Consumer Affairs department Government of Kerala". On the right is a "Back" button with a left arrow icon. The main area features a large smartphone icon with a woman interacting with its screen, set against a yellow circular background with leaves. To the right of the phone is a "Login" button. Below the phone are two input fields: "Select Category:" with a dropdown menu showing "-Select-", and "Ration Card number:" with an empty text box. At the bottom of the page is a black footer bar containing the Commissionerate of Civil Supplies details, the Food, Civil Supplies & Consumer Affairs Department logo, the year "Copyright@2017", and helpline information: Phone: 1800 - 425 - 1550, Toll Free: 1967.

Choose a category from the dropdown menu, which includes customer, government administrator, shop administrator, and supplier.

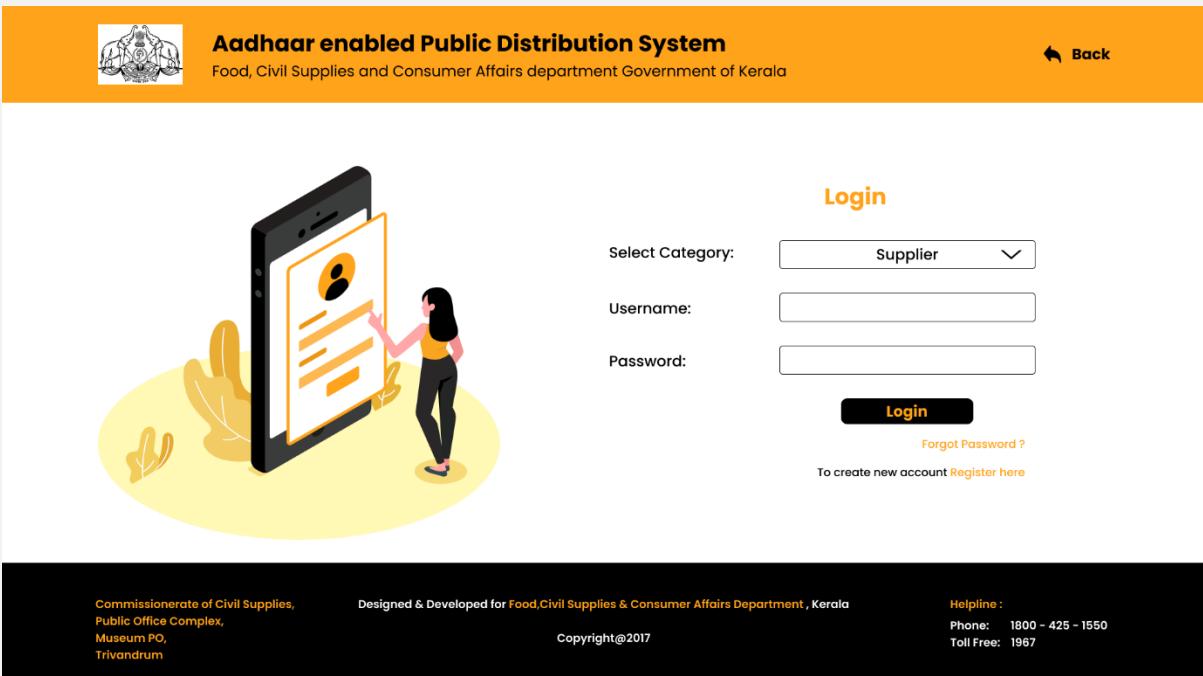

➤ Customer Login Page Design:

This screenshot shows the customer login page. It has the same header and footer as the previous page. The main difference is in the "Select Category:" dropdown, which now shows "Customer". The rest of the interface, including the large smartphone icon, input fields, and footer information, remains identical.

Customers must input their ration card number in order to log in.

➤ Supplier Login Page Design:

The screenshot shows the login page for the Aadhaar enabled Public Distribution System. At the top, there is a header with the Government of Kerala logo, the text "Aadhaar enabled Public Distribution System", and a "Back" button. Below the header is a large illustration of a woman interacting with a smartphone displaying a user profile. To the right of the illustration is a "Login" button. Below the button are three input fields: "Select Category" (set to "Supplier"), "Username", and "Password". Underneath these fields are links for "Forgot Password?" and "To create new account Register here". At the bottom of the page, there is a footer with the Commissionerate of Civil Supplies address, copyright information, and helpline details.

○ Design of view ration shop kit information page:

The screenshot shows a web-based application for managing ration shop kits. At the top, there's a yellow header bar with the Government of Kerala logo, the text "Aadhaar enabled Public Distribution System", and a "Logout" button. Below the header is a black navigation bar with links for "Customer details", "Stock management", "Shop details", "Profile", "Order details", and "Manage Suppliers". The main content area has a white background and features a section titled "View delivered stock details" in orange. Below this, there's a table with six columns: "Sl.no", "Ration card no", "Owner name", "Product", "Total amount", and "Date". The table contains four rows of data. At the bottom of the page is a dark footer bar with text about the Commissionerate of Civil Supplies, the Food and Civil Supplies & Consumer Affairs Department, and contact information for helpline, phone, and toll-free numbers.
